2. I'll not use my words as weapons
 Or the past to gain control;
 On my tongue, no trace of venom,
 Only grace to comfort and make whole.
 I am weak but God is with me,
 Past and future in His hand;
 Turns to good the ill we suffer,
 Works all things into Love's plan.

3. Holy Dove, return and rest here
 As I think and speak the best;
 Though it takes ten thousand choices,
 I'll press on to honour and to bless.
 For the love of Christ my Saviour,
 By the strength He daily gives;
 This will be the thanks I offer:
 I will totally forgive.
