2. O Lord, over the nations now
Where is the dove of peace?
Her wings are broken.
O Lord, while precious children starve
The tools of war increase;
Their bread is stolen.
3. O Lord, dark powers are poised to flood
Our streets with hate and fear;
We must awaken!
O Lord, let love reclaim the lives
That sin would sweep away
And let your Kingdom come.

4. Yet, O Lord, your glorious cross shall tower
Triumphant in this land,
Evil confounding.
Through the fire your suffering church display
The glories of her Christ:
Praises resounding!
