oh how we long to be there.

2. Weary and cold
 Sometimes we stumble and fall
 And wonder why we carry on
 But somehow this star
 Has touched eternity deep
 Inside our hearts
 Calling us near
 Leading us on
3. When we set out
 Well we were searching for him
 But something strange is happening
 Somehow it feels
 That he is searching for us
 Sending his star to guide us in
 To lead us home

Chorus B

*We are the seekers the dreamers
 Mystical trav'lers, believers
 Risking it all on a star
 Knowing there's someone out there
 Searching the far constellations
 Seeking the Source of creation
 Love is the treasure we bring
 Oh how we long to be there*
